Friday 17th September

Sports Day

It was so good to see all of the parents at the juniors sports day this morning: the children had a wonderful time and thoroughly enjoyed themselves and competed well. We shall of course be holding the infant event (Year 1 & Year 2) next week and doing it all again in July.

Meet the Teacher

It was pleasing that so many of you were able to take advantage of our, 'Meet the Teacher Evening' this week; the teachers enjoyed getting to know you and hopefully you all found it very useful. It was great to actually have some visitors back in the school again. There will be of course telephone consultations/parents evenings later in the term if you were unable to attend.

Mr Matthews

Thank you!

Class Six would like to say a bit thank you to Hannah James for organising tickets to Ludlow Food Festival. We had a wonderful time following the slow food trail snails; sampling cheeses and truffles and enjoyed making our own vegan wraps.

Transfer to Secondary School 2021

All Year 6 pupils should have brought home a letter recently regarding their transfer to secondary school next year. Once applications have been made please could you let the office know. The deadline for secondary is 31st October 2021

Food Allergies/Allergy & Dietary Requirements

Providing information about your child's food allergy/ allergy and medications to the school is critical. You should provide school with a complete list of foods/items to which your child is allergic.

- The possible symptoms of your child's allergic reaction.
- The treatment that should be administered to your child, and under what circumstances.
- Contact information for emergency medical services, your child's allergist, and you.

If your child has any special dietary requirements, for example a vegetarian, it would be helpful to let us know.
