FREE NSPCC online workshop for parents and carers about keeping children safe when gaming

We are all aware that Online Gaming is a concern for many of us professionals and parents, who can often feel unsure of how to have conversations with their child around this topic to keep them safe.

This year, the NSPCC launches its first Game Safe Festival. We're bringing together key players to make sure children have positive gaming experiences; helping the adults in their lives have the knowledge, confidence and tools they need to help keep children safe when they game.

The free workshop will take place on Zoom on **Wednesday 7 February 2024, 7-8pm**. The attached flyer provides information about the session and how to register for it.

Courtesy Cup

Henry Lynch won our Courtesy Cup last week; he was nominated because he was showing compassion to other children in his class. Derina has won this week, and she was nominated as she is always polite to any adult around school and is noticed daily for her impeccable manners and willingness to help.

Parents Evening

After half term we will be holding face to face parents' evenings. These will take place on Tuesday 20th February and Thursday 22nd February. The booking system will open on Monday 5th February for you to be able to book a slot.

St Laurence Success

Indoor Cricket Triumph

Last Thursday, Isaac, Issa, Martin, Edward, Immy, Maisie, Ava and Lia went to Ludlow Leisure Centre to play in the South Shropshire Cricket Tournament. There were five other teams from local schools - including Ludlow and Corvedale.

We had a team of experienced cricketers but the format of indoor cricket was new to many of us. As a result, our first match was a steep learning curve; we eventually found a good rhythm and experienced victory in our first match.

After our initial success, we were feeling very proud and went on to win all of our matches.

All of us batted and fielded really well and finally we won the whole tournament. Mr Mckeon really helped us with our positioning in fielding and sometimes he shouted out loud to encourage us.

Online gaming and keeping children safe

Do you know your whispers from your skins? Your Fortnite from your EA Sports FC 24?

As part of the NSPCC Game Safe Festival, we're encouraging parents, carers and those working with children and families to have conversations about online gaming.

GamCare will be sharing expert advice, and you'll hear directly from young people.

Our webinar will help you:

- understand how young people game online.
- learn about tools and resources that support safe play.
- gain the knowledge you need to keep children safe.
