Dear Parents and Carers,

As we begin each school day, we would like to remind everyone of the importance of maintaining appropriate conduct outside the school gates.

The start of the day should be a calm, safe, and positive experience for all children. Unfortunately, we have recently observed instances of aggressive behaviour and the use of inappropriate language between adults and children at drop-off time. This is upsetting for children and does not reflect the values we promote as a school community.

We kindly ask all parents and carers to:

- Speak to one another respectfully at all times
- Avoid aggressive behaviour, raised voices, or confrontations
- Refrain from using bad or abusive language within earshot of children

Please remember that children are watching and learning from the adults around them. Your support in modelling positive behaviour helps ensure a welcoming and safe environment for everyone.

Invasion Games

On Thursday, our Year 2 children took part in an exciting Invasion Games Festival at the High School. The children were all fantastic, and we are incredibly proud of them all. They listened carefully to the young leaders and took part in a variety of games, such as dribbling a ball, overarm throwing, table football tag are just a few examples. Well done year 2, you were amazing.

Athletics Festival

This week, we took a group of nine Year 5 boys to an Athletics Festival in Church Stretton. The children competed brilliantly across a range of track and field events, including javelin, chest push, jumping events and a variety of running races. They finished the field events in an impressive second place, but their outstanding speed in the track events secured them an overall victory by several points. As a result, the team has now qualified to represent South Shropshire at the County Finals in May. Well done to our fantastic Year 5 boys- a superb achievement!
