## Summer Term – Week 7

### Cricket

Year 3 have taken part in an amazing afternoon of cricket with Ludlow Primary. The children's behaviour was exceptional, and the cricket coach was impressed with how all the children participated. The children were in mixed teams and it was lovely to see them interacting with children from a different school. Also a big thank you to our Year 6 Bronze Ambassador's who helped to run the event and were great at teaching the children the rules and keeping score. A lovely afternoon enjoyed by all.

### Rounders Success ...We're Through to County!

Well done to our fantastic rounders team, who played exceptionally well at yesterday's tournament held at the high school. Winning all their games!

The team, made up of mostly year 6, showed great ball skills, and teamwork, earning us the results and securing their place in the County Finals in Telford!

The standard of play was so impressive that one of the organisers commented on what a "well-drilled team" we are, a wonderful compliment that reflects the commitment of both the players and staff. **Congratulations** to all involved, and we wish them the very best of luck as they go on to represent the school at county level!

### Inclusion Games Festival

Ten children from Years 3 and 4 recently enjoyed taking part in the Inclusion Games Festival. The children had a fantastic time trying a range of different activities, including boccia and curling, as well as several other inclusive sports. They demonstrated excellent teamwork, enthusiasm and sportsmanship throughout the event and represented our school brilliantly. It was wonderful to see everyone getting involved, trying new skills and having fun together.
