Good Afternoon

We are looking forward to seeing the children tomorrow. I would just like to remind you all how important it is for everyone to try and keep to the drop off and pick up times as detailed on the letter sent out before half term.

We want to keep everything as relaxed and normal as we can over the next few days and if we can get the children into class as quickly as we can it will help. We shall call you later in the day to let you know that they have settled as a reassurance.

Over the last few weeks we have been working hard to prepare the school and we are now ready for those chosen year groups to return.

If numbers rise considerably over the next few weeks I may have to cap the number of children in a class. At the moment we have plenty of space but this might change. Your child's place would be guaranteed however.

Also the school has still of course been open for the children of key workers over the last few weeks and shall continue to be so.

It is reassuring to point out that these children have had a lovely time in school and I'm sure that all the others shall once they get into the swing of things.

I shall be available to talk if you have any concerns.

Lastly thank you for all your tremendous support over the last few weeks, it is very much appreciated and has made a huge difference.

Regards

Mr Stephen Matthews
