

*With ordinary talent and extraordinary perseverance, all things are attainable*

## **Christian Value: Perseverance**

*Year 5 have demonstrated perseverance in lots of ways; trying new things at the Pioneer Centre, persevering even when things are scary and you are unsure.*

To complete our projects we had to follow lots of steps. We had to research information then decide how we were going to present it.

*"I made my planets out of paper mache and I had to keep working on my project so I could compete it on time."*

*"God helped you begin and he will help you until it is finished."*

*(Philippian's 1:6)*

*This half term we created models and posters to show our solar system and we have been focussing on solving problems in maths.*

***With ordinary talent and extraordinary perseverance, all things are attainable***
