

We travelled back 12, 000 years in time to The Stone Age

It was very cold and some of the people we met were a bit scary!

# The Surprising Stone Age

## Class 3 Assembly

17<sup>th</sup> October 2018

Careful! I thought you were an animal and I nearly speared you!

We're using our new flint axes to hunt for deer.

### Did you know?

In 1986, a woman walking her dog near Shrewsbury made an amazing discovery.

She saw a bone sticking out of the ground which turned out to be from a mammoth that had lived 14,000 years ago.
