In Reception we have talked about how whatever we try to do, if we have courage then God will be supporting us to do our best. We thought about how we use courage in class and at home and that when we have courage we can tackle anything.

Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.

JOSHUA 1:9

We had chicks visit our classroom, some children were apprehensive about touching the chicken. We remembered to have courage and put trust in our teachers that it was okay to stroke them. We felt good when we had done it and were proud of ourselves.

At forest school we enjoy cooking on our campfire. At times the children don't want to try new things so we encourage them to have courage to try new things as we never know we may really like it.

Last term we were learning all about using apparatus safely and believing in ourselves. This is an example of children building up courage to have a go at jumping off the apparatus and believing that they won't fall. We were all very proud of ourselves when we achieved this.

At Forest school, we have to have courage all the time to tackle new adventures. This is an example of having the courage to go higher in the trees.
