As the parent or legal guardian of the above pupil(s), I grant permission for my child to have access to use the Internet, the Virtual Learning Environment, school Email and other ICT facilities at school. I know that my daughter or son has signed a form to confirm that they will keep to the school's rules for responsible ICT use, outlined in the Acceptable Use Policy (AUP). I also understand that my son/daughter may be informed, if the rules have to be changed during the year.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, secure access to email, employing appropriate teaching practice and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files, and the Internet sites they visit. I also know that the school may contact me if there are concerns about my son/daughter's e-safety or e-behaviour. I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's e-safety.

I am aware that the school permits parents/carers to take photographs and videos of their own children in school events and that the school requests that photos/videos are not shared on any social networking site such as Facebook if the photos/videos contain images of other children. I will support the school's approach to e-Safety and will not upload or add any pictures, video or text that could upset, offend or threaten the safety of any member of the school community

- only create and share content that is legal
- never meet an online friend without taking a responsible adult that I know with me

I am aware of the CEOP report button and know when to use it.

I know that anything I share online may be monitored.

I know that once I share anything online it is completely out of my control and may be used by others in a way that I did not intend.
