

Walking With The Wounded Assembly

Today the children had a very special assembly with guests from Walking With The Wounded; a UK based charity supporting injured British Armed Forces. They listened intently to inspiring stories from veterans who have been disadvantaged by their service.

Sign up for the Ludlow to Hereford Cathedral Challenge on Sunday 27th & 28th May. To join WWTW in a 30 mile walk (or optional 6 mile walk) and a 30 mile cycle ride from Ludlow To Hereford Cathedral.

Our Value this half term

Friendship

'I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my father I have made known to you.'

John 15:15

'If friendship is your weakest point then you are the strongest person in the world.'

Abraham Lincoln

Little Treasures' Nursery

This week Nursery have enjoyed getting back up to the woods for Forest School. We had great fun looking for bugs under logs and we even found a very special Robin nest with 5 eggs! We have been exploring shape and colours and working hard on our letters and sounds.

Please remember next Friday to send in a Wedding photo for your child to share with the class.

Year 3

On Thursday Year 3 had an interesting day at Ludlow Museum being 'Rock Detectives.' They wore lab coats and explored the properties of rocks including fizzing chalk, strong granite and floating pumice.

This was followed by a sunny walk around Ludlow looking for evidence of where and how the different rocks were used. They found fossils in the castle walls and felt the coolness of the marble in the church.

SATS WEEK Daily Mile Challenge 14th – 18th May 2018

SATS week we will be kick starting our DAILY MILE Challenge.

Inspired by all the great work happening in schools with the Change 4 Life Scheme, we will be aiming to get all our children involved with this challenge.

Every Morning next week we will be encouraging each child to walk laps of the playground before school starts.

Starting every morning at 8.40am.

How many laps of the playground is equivalent to a mile? Find out from your children as the week progresses.

It will be interesting to see if, as the research suggests, exercise improves concentration and enjoyment of the school day.

Sports Day – Thursday 12th July
