## Bikeability

Class 2 have thoroughly enjoyed their bikeability experience over the last 2 days, they have been very well behaved and have learnt a lot. For some children it is the first time they have ridden a bike and it was a great sense of achievement. Thank you very much to the Shropshire Local Authority Cycling Proficiency Team for all their hard work and also Isla Bikes ( Mrs Worrallo) for their help in servicing the school bicycles before the course, next week it will be the turn of class 6.

## Football Finals

We would like to wish the boys in the school football team the best of luck in the county finals tomorrow at Shrewsbury Town Football Club I'm sure they will be a credit to the school and will have an enjoyable day out, as they have been invited to watch Shrewsbury v Bolton Wanderers

## Covid

Although covid cases have fallen in Shropshire by 50% this week, we have seen an increase in children testing positive, mostly in our Reception class, who have been isolated in their bubble this week and have enjoyed having their lunch together in the class room. **Therefore we would ask you to be vigilant and test your child if they are in a class in which there are confirmed cases or if they are showing symptoms.** Please check your emails regularly as we shall inform you as soon as we are aware of a positive case. However, I am quite hopeful that the current situation will alleviate very soon.

Mr Matthews

## Indoor Athletics

A team of 15 children from Class 6 attended an Indoor Athletics event at Church Stretton High School on Monday. They encouraged each other and celebrated the successes of their team mates. Overall, the girls team came 5th and the boys team 3rd in what was a very competitive afternoon. The children can now look forward to a tag rugby competition at the same venue in February.

We wish the footballers the best of luck on Saturday in their quest to be the Shrewsbury Town FC champions.

Mr Tisdale

30 <sup>th</sup>	Year 4 Swimming

### April

4 <sup>th</sup>	Y3 /Y4 Curling/Archery
6 <sup>th</sup>	Year 4 Swimming

### Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

## How five-day isolation rule works in England
