Bikeability and Road Safety

Over the last two weeks we have been focussing on making our children more aware of how to keep themselves safe and encouraging them to cycle through the Stepping out and Bikeability programmes. It has been very successful and important that children have these opportunities, especially in the light of what we have been through over the last few years.

The children's conduct and behaviour made a good impression on the staff delivering the programmes:

"I wanted to thank you for allowing me to visit your lovely school today. It was wonderful to see your year 6 students and teachers so supportive of learning to cycle."

In just an hour I saw the children's confidence grow and hope that they will continue cycling."
Caroline Dawson (Director, Bikeability Trust)

"Just a quick note to say how much I enjoyed delivering the three training walks today. Fantastic listening and behaviour and first class staff support and help. Couldn't ask for more! Look forward to my return next week."

Ray Hughes (Road Safety Officer)

Football

As many of you are aware our Football team won the County Championship last Saturday at Shrewsbury Town FC. Apart from playing exceptionally well, beating two very good teams, their behaviour and conduct was exemplary.

We're all justifiably proud of them and very grateful to Mr Tisdale for organising everything and the children's parents for their fantastic support.

We wish them the very best of luck in the Regional finals in Manchester next month.

Mr. Matthews

Year 2 Bikeability

Congratulations!

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

How five-day isolation rule works in England
