Visitors to the School

On Wednesday, the Reverend Kim Stilwell joined us for our act of worship. Reverend Kim is the minister at the Methodist church in Ludlow. He talked to the children about the similarities and differences between St Laurence's Church and his own Church. He also talked to the Worship Team and explained how the Methodist Church was founded.

Internet Safety Day - February 6th

Next Tuesday is Internet Safety Day. This is a topic we visit quite often in school, but on Tuesday there will be a more 'whole school' focus. Be sure to ask your children what they have discussed or written about.

Reading in KS2

Children in KS2 have taken their Star reading test again; many of the children have improved on their previous score and as a result, their book level range will increase. The children will take the Star reading test each term.

Maths Buddies

Some of the children from Y4 joined the Y2 class this week to help the younger children in one of their maths lessons.

'We helped them partition numbers for both addition and subtraction, we also showed them some of our Y4 methods. It was fun.' Isaac C.

We hope to make this a regular occurrence, as it not only helps the younger children, but by actually teaching a subject we develop our own thinking skills, so the older children will benefit too.

Hall Displays

Do come and look at the new hall displays after school. Each class has taken one of the days from the story of creation and the pictures are beautiful, and all very different!

Have a lovely weekend

Mrs Gilford

Calling all parents !

At St Laurence' we love finding out about your children's talents and achievements out of school. Please remember to let your child's teacher know about any awards or skills your child may have achieved. Also children can share or demonstrate their achievements in our special celebration assembly every Thursday, recently we have had tap dancers and a judo demonstration.

Our Value this term

Perseverance

Let us run with perseverance the race that is before us.

Hebrews 12:1

Sometimes when they have been running for a long time marathon runners 'hit the wall'. This is when their body is very tired and is telling them to stop. Many are tempted to give up, but others persevere and somehow find the energy to reach the finishing line.

'Many of life's failures are people who did not realise how close they are to success when they gave up'.

Thomas A. Edison

Little Treasures' Nursery

This week Nursery have been using the mud kitchen to cook up a storm! We have been making chocolate mud cake, muddy muffins, and sloppy soup! We have also been on a snowdrop walk to find and take a close look at the beautiful snowdrops on the school grounds. We have also made amazing slime! (see Mrs James for the recipe)

Nursery Open Sessions

We will be holding open sessions on Monday 12th and Friday 16th February.

Please sign up for a slot, the list is on the Nursery door. Thank you.

Reception Class

This week , we have been making junk models and the children have had some fantastic ideas and really thought hard about what they are trying to create. We have had some wonderful robots and machines that do various jobs or even protect us. All the children have been taking part in circle time with Lola and we have even attempted chinese whispers - that was an interesting challenge! We hope to show you a small snapshot of what we are doing as we all know most of our children say they have done nothing when they get home.
