

After School Clubs/Use of the Playground

Can I remind parents that after school there are often clubs being held on the playing fields and we would like you all to please leave the school grounds as soon as possible so that the children participating in these clubs can do so safely.

Also I would like to point out that after school the safety of children is the parents/carers responsibility and draw your attention to our PARENTAL CODE OF CONDUCT and request that 'parents should not approach some else's child in order to chastise them because of their actions towards your own child/ren'. Thank you.

Mr. S. Matthews

Our Value this half term

Friendship

'I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my father I have made known to you.'

John 15:15

'If friendship is your weakest point then you are the strongest person in the world.'

Abraham Lincoln

The Adventure Playground

We have received several quotes for a new adventure playground and we will share the designs with the children next week. We now need to continue to raise money in order to pay for it and look forward to a summer of fundraising activities. We will be holding a sponsored walk after half term in Mortimer Forest, which will help us on our way and then the summer fete will be another opportunity to raise some more money. We are also applying for grants which may be available to us. The cost will be in the region of £15,000. Y6 will help to make a 'totalizer' after SATs week which will help to show how much we have raised so far and how much more money is needed.

Year 6 SATs

Our Year 6 pupils are working really hard in the build up to their week of national tests which starts on Monday 14th May. I am really pleased with the progress that so many of them have made this year, and it is clear that many of the children are also working hard at home doing extra revision and past papers. The results of the tests (which are sent off to be marked) will indicate whether each pupil has achieved the required standard which is expected in Year 6 or whether they are working below that level. For children who do particularly well in the tests, then they are deemed to be working at 'Greater Depth'.

Book Fair

Thank you to the Olivia Stephens, Paul Roberts (parents) and Miss Davies (TA) who helped to organise and run the book fair during the last few days. Thank you to all our parents and pupils who came and bought books or stationery. The school will receive a % of the money taken to buy books for the school.

Y4 Cookery Club

Tish Dockerty and Helen Melrose, in conjunction with 'Local to Ludlow', are going to run four cookery sessions for a lucky group of Y4 children, starting next week. The sessions will culminate in a 'Bake Off' competition linked the Ludlow Food Festival later in the year, when children from local schools will compete against each other.

If you are off to the May Fair this weekend have a great time, and if you are planning other Bank Holiday festivities, enjoy. Hopefully the sun will shine!

Little Treasures' Nursery

A big thankyou to all who were able to attend Nursery May Day celebration the sun shone and a good time was had by all. This week we have continued to watch our beans grow we have seen some of them develop little roots and we used the internet to watch a time lapse film of a bean growing. We have also enjoyed a yoga session in the hall linked to the story of 'We're going on a Bear Hunt'.

Friday 18th May Nursery children will be talking about weddings, if they have a photograph of a family wedding that they would like to bring in and share that would be lovely.

Open sessions: Monday 21st May from 9-10am. Friday 25th May from 9 -10am. **Sports** - Friday 22nd June from 9 – 10am. All of nursery invited.
