Our Value
Creativity

Share with someone a gift God gave you when you were born.

In the beginning, God created the heavens and the earth.

Genesis 1:1

'Creativity is intelligence having fun'.

After School Clubs

Please could I remind all parents that children should not be using the playground after school when clubs are taking place. This is to ensure that staff and children participating in the club are safe and focus on the club. Bikes and scooters should not be used on the playground after school at any time.

Healthy Lunchboxes

Following on from the Year 3 class assembly about healthy eating and balanced diets, please could parents ensure that the packed lunches sent to school adhere to the packed lunch policy on the website.

We do monitor lunches from time to time. This week we were pleased to see so many children with fruit or salad in their boxes.

The Daily Mile

Any child from KS2 can join in with the Daily Mile. Children are joining either Mrs d'Albert-Moss or Mrs Berry at 1pm for a good walk round the field. Children will need wellies as the weather changes during the term.

Spare Wellies

If anyone has any wellies which they no longer need, please send them to school, we will be very grateful.

Terrace

We will soon be erecting railings along the terrace wall as part of our ongoing work to ensure the safety of all children at school. In the meantime please could parents and carers make sure the children are not climbing on the benches adjacent to the wall. Children should not be climbing on the tables/benches either.

Prefects

I am pleased to announce that we have seven new prefects in Year 6. The prefects are chosen after joint discussions with Mr Matthews, staff and TA's. We look for children who work hard in class, show initiative, are kind and considerate to others and can carry out additional tasks and activities responsibly.

All of the children in Year 6 have the potential to become prefects by the end of the year.

Jumping Jaxx

On Thursday, twelve Year 6 children were trained to become Jumping Jaxx leaders. Mrs Black from Ludlow School came to train the children and she was really pleased with the new leaders.

The Year 6 leaders have already organised playtime games for Y1 and Y2 at lunchtime. I have to say that I was very impressed with the way in which the Year 6 pupils organised the younger children today, they played with the parachute.

Little Treasures

This week in Nursery we have enjoyed the mud kitchen at Forest School and in the outdoor nursery environment. Children have explored the consistency of mud, ways to make it sloppier or thicker. Sounds it makes as we jump in magical hollowsmagical experiences.

Earrings

Now swimming sessions have started could we please ask parents to remove earrings on the day of swimming. Our school policy states that they should be removed or covered for P.E. sessions however covering them for swimming is a little bit tricky.
