Asthma

Just a reminder to all parents with children in school who are on the asthma register or who suffer with asthma; please could you ensure that you have sent in at least one inhaler to be kept in your child's class. New Asthma information packs will be sent out for completion next week. Thank you.

Food Allergies & Dietary Requirements

Providing information about your child's food allergy and medications to the school is critical. You should provide school with a complete list of foods to which your child is allergic.

- The possible symptoms of your child's allergic reaction.
- The treatment that should be administered to your child, and under what circumstances.
- Contact information for emergency medical services, your child's allergist, and you.
- A current picture of your child
- The signature of your child's allergist If your child has any special dietary requirements, for example a vegetarian, it would be helpful to let us know.

Happy Birthday

Gracie-Mai Lawson-Bryan, Beau McCourt,
Heather Lees

Welcome back

It has been lovely to see all our children again after the long summer holidays and to welcome all of the children who have just joined the school. We hope they have a very happy and enjoyable time here. It has been a busy purposeful start to the new term and we are looking forward to Christmas already !

We are very proud of all of our achievements as a school last year and our thoughts have been with our leavers this week as they begin the next phase of their education at High School. We wish them the best of luck and look forward to seeing them again.

A big thank you for all of your support last year, especially the Friends of St Laurence's for all of their fundraising efforts.

We hope to be able to give you a full calendar of dates very soon

Clubs will start from Monday 16th September. Letters will be sent out next week
