One single voucher of £90 per child

Redeeming the vouchers

Once families have received their voucher, they will be able to redeem them in store at the selected retailer by either:

- presenting the voucher on a smartphone or tablet
- presenting a paper copy of the voucher

Guidance is available from Edenred for parents to help answer any questions they may have. The voucher does not have to be spent in full, in one transaction. To check how much money is left on the eGift card, parents can ask the supermarket's customer services team when in store.

The vouchers must be used for food, and must not be redeemed for any age-restricted items, such as alcohol, cigarettes or lottery tickets.
