HELP

Reporting Absences

Please could we remind you that if your child is going to be absent from school to notify the office - either by telephone on 01584 872766 or email – admin@st-laurenceprimary.com by 9am at the latest.

Sun Safety

As we are enjoying the inclement weather just a reminder to apply sun cream to children before school and ensure that they have a sun hat and water bottle in school.

Clubs

We shall be starting to run after school clubs from Tuesday 4th May. These will include a variety of outdoor sports activities for the juniors; such as rounders, cricket and netball. We do hope to be offering a cookery and possibly reading club. Places will be limited. When we have finalised the arrangements please book your child in as soon as possible to avoid any disappointment. Also, from now on we will be charging for after school clubs, the payment will be made via School Money and will be charged at £3.50 per session. Full details will be released next week.

We are planning for next half term as many extra curriculum events as we can possibly organise, so that the children can enjoy the rich variety of school life once again. Of course this is all subject to national developments and Mr Johnson's road map to normality! This may include such trips as a trip to the Safari park for the infants and a variety of exciting activities for all the children ... just like we used to do!

Year 1 Spring Walk

Year 1 had a lovely walk over Whitcliffe Common to look for different signs of spring and to see how many different plants they could identify. They also went looking for frog spawn and tadpoles and found a toad hiding in a shallow part of the river.

IMPORTANT

Please could we ask parents to advise the school if contact details change. It is very important that we have the correct and most up to date home and mobile numbers in case of any emergency and the correct home address. This is the only way we can communicate with parents.
