

School Lunches

Whilst we appreciate booking packed lunches is a nuisance, if this isn't done we won't know whether your child is having a packed lunch or whether parents have forgotten to log on and chose a meal choice.

This system was intended to cut down the amount of admin time that is spent on school dinners, however there are a number of parents who refuse to do this and it is taking up valuable time that could be spent on other matters.

You can book them all in up to half term so that you only have to log in and do it once rather than daily/weekly.

We are sorry for any inconvenience this may cause but at present there is no way around it.

We would appreciate your co-operation.

If you are experiencing problems logging in please call at the office as we are more than happy to assist.

Our Value this half term

Friendship

A recipe for friendship

- a pinch of happiness
- 1 handful of kindness
- 2 spoonful's of gentleness
- 1 litre of sharing
- a teaspoonful of helpfulness
- 3 heaped tablespoons of laughter
- 50g of smiles
- a sprinkling of cheerfulness
- 100g of love

Method: mix all of these together to make the perfect friend.

'I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my father I have made known to you.'

John 15:15

'If friendship is your weakest point then you are the strongest person in the world.'

Abraham Lincoln

Year 2 – Pizza Express

On Tuesday despite the rain, all of Class 2 trooped up to Castle Square to Pizza Express. This was a fantastic opportunity to make our own pizza. Not only making but trying tasters of many different toppings; from olives, ham, fresh peppers, chicken and tomatoes.

Quotes from the day:

"I really enjoyed making a mess and not getting told off!"

Our knowledgeable aficionados knew their bases from their *calzones!*

"Look at this; it's more like a calzone than a traditional base!"

"It was tricky to stretch the base but good fun!"

Every child returned with adult sized Margarita pizzas.

Pizza Express were fantastic as they were so child friendly, giving them the whole hands-on experience from start to finish.

Several of us including the teaching staff resembled flour babies. What a great experience!

Ludlow in Bloom

As part of Ludlow in bloom, groups of Year 1 pupils braved the elements on Wednesday to begin planting a flower bed by the town wall on St. John's Road. The bed had to be weeded and then new plants planted. The children worked really hard and enjoyed digging and exploring as they were gardening; finding all sorts of creatures and treasures!

We're looking forward to finishing it off with the other Year 1 children in the coming weeks.

Little Treasures' Nursery

This week nursery have continued with the theme of 'In the Garden' and have been sharing the story of Jaspers Beanstalk and Jack and the Beanstalk. We have prepared our own beans in plastic cups so we can see if they develop a root and a shoot. We have been practicing forming letters from our names and carefully counting out the correct number of spots to put onto

the Ladybirds. We have enjoyed making hats for the upcoming May Day dancing and have been practicing our moves. We also enjoyed a music session with Bym on Wednesday.
