## National Lockdown

To begin with thank you for your ongoing co-operation and support over the last 8 weeks, it has certainly made our job a lot easier in keeping your children safe.

Although our systems are working, in line with the new national restrictions we as a school will be tightening up on our current practice.

You may have noticed that many of our staff are wearing visors/ face coverings when handing the children over therefore we would kindly request that all parents wear a face covering when entering on to the school premises, even outdoors.

Only one parent should accompany your child to and from school.

It has been brought to our attention by members of the local community, that there are gatherings of groups of parents at the skate park, where social distancing is not taking place. The local community support officer has informed us that they will be monitoring this situation and we would advise parents to go straight home. Nursery parents – after collection of your child from nursery please collect other siblings from the main reception, please form an orderly line maintaining social distancing, your child will be brought out to you. Please do not gather in groups.

Parents should be mindful of the social distancing guidelines which can be found on the government website: <https://www.gov.uk/government/publications/coronavirus-covid-19-meeting-with-others-safely-social-distancing>

## Christmas Jumper Day Friday 11<sup>th</sup> December

£1 donation payable through School Money

Christmas lunch will be **Wednesday 16<sup>th</sup> December**. This needs to be pre-booked by **30<sup>th</sup> November** as food is pre-ordered.

Children are now permitted to bring a school bag with them, however PE bags should still only be bought in on the day they are needed.

A few Year 6 parents have asked about class photos, unfortunately due to logistics and risk assessments the photographer advised against them. However we will look into possibly having one later in the year.
