Parents' evening

As you already know, we are conducting our parents' evening meetings by telephone this term. You would have already booked your slot and we shall endeavour to keep to the timing as well as we can. If you would like a more in depth conversation with the class teachers then please arrange for another consultation at a later date.

We shall be calling you on the mobile number that you have previously submitted to the school. If this has changed recently please ensure that you inform us in plenty of time.

Do try and be available at the allocated time but please be flexible as some calls may be later than scheduled.

The teachers will call twice when it is time for your appointment and then move on to the next consultation. If there is time at the end of the evening then we will try and catch up any missed calls. In the unlikely event that we cannot contact you we will rearrange the meeting.

Please do not try and call the school during one of these evenings as all lines will be busy.

Remote Learning

Hopefully all of you have accessed the remote learning platform over the last couple of weeks. If we do have to ask a class to self-isolate then all work (which will reflect the curriculum) will be provided through this medium.

If parents could ensure that their children only complete the work set that week on some of the programmes (My Maths for example) as this complements what is being taught in class. If children access other work it may lead to misconceptions and they might need extra work to address this.

If you do have any issues whatsoever please contact the school now and we will do our best to help. Hopefully this will not happen but as I have said we all have to be prepared for the worst. Once again I would like to thank you for your cooperation and support; You have been so helpful and considerate.

I cannot thank you all enough.
Mr Matthews

School Photographs.

This year we will be using new photographers Active Photographic, who will be in school on **next Thursday 15th**. They will be taking individual photos and class photos – all photography will follow social distancing guidelines. There will be no family photographs as children will be photographed in their bubbles.

P.E. – Extra layers!

A reminder for children –now that the weather is getting colder please make sure you have extra layers for PE when it is outside. Dark tracksuits are advisable for the winter months.

Transfer to Secondary School 2021.

All Year 6 pupils should have brought home a letter recently regarding their transfer to secondary school next year. Once applications have been made please could you let the office know. The deadline for secondary is **31st October 2020**.

Job Opportunity – Teaching Assistant; Please visit the website for more details. Closing date 15th October
