Loose paving slabs

Those parents who access the school from the Galdeford entrance may have noticed a loose paving slab on the path. We have informed the Priory Gardens Management Company who own the path and are awaiting an outcome.

In the meantime if there are any parents with buggies/pushchairs who are struggling to use the path, you are welcome to access the school through the Jockeyfield entrance to drop off or pick up your children.

Seesaw

We shall be introducing an online remote learning platform called Seesaw next week, this will be very useful in the eventuality that we have to isolate a particular class and going forward will be a far more effective way of organising children's homework.

A QR code will be given to each child as well as instructions to set up their account if anyone needs any help in doing this then please do not hesitate to contact the school office.

Shropshire Library Service E-Book Scheme

As a school, we have subscribed to the Shropshire Library Service E-Book Scheme. To access this at home, you need to visit: <https://shropshiresls.wheelers.co/>

This service is a lot like visiting a real library with over a thousand books to choose from. For those pupils in KS2, the books can be arranged by accelerated reader levels so you can ensure that your child is reading at an appropriate level.

By the end of next week, your child should have their own log in, in their reading record.
