## A Visit From Our Local Policeman

On Tuesday 31<sup>st</sup> January, Jimmy the policeman, came into our assembly to explain what his job is about and what he does in it. First he showed us some police force equipment including a shield and a helmet. Then he explained about staying safe on the internet. Then he even allowed Eva Cassidy and William Reavill put on police helmets, they were a bit big! Jimmy also let them handcuff Mrs Gilford and Mrs Mintoft; he showed us how to handcuff someone's hand behind their back. We were actually convinced our teacher was going to prison!

## Compassion

'Compassion' and 'sympathy' have much in common and both are stronger in meaning than simply 'feeling sorry for' someone.

1 Peter 3:8

Finally, all of you, live in harmony with one another; be sympathetic, love as brothers, be compassionate and humble.

'Love and compassion are necessities not luxuries. Without them humanity cannot survive'.

Dalai Lama

## Nursery

This week the children have been learning all about Chinese New Year, they have tried to write numbers in Chinese and tasted some noodles, prawn crackers and had fun trying to eat these with chopsticks. The children made a Chinese dragon and travelled around the school like a dragon.

We have been developing our forest school garden, the children have all made bird feeders. We found out that they like to eat lard, cheese and apples. We are looking forward to next week when we can see if they have enjoyed the food we left for them. We will start off in our bird hide to see if we can watch them eat. The children think that the birds have been watching us and will come and eat the food as soon as we leave.

## **Please respect our Outdoor Classroom**

Can we please remind all children that the area outside Reception and Year 1 is part of the classroom, and is **not** to be played in after school. It can be very upsetting when our children come to access outdoor equipment during class time and it has been moved or broken. Thank you for your support
