

FRIENDSHIP

In Reception, we are always talking about friendship and how to be a kind friend. Children have daily discussions on our value and what we can do during our day to be a good friend. We know that we can talk to God in our prayers if we want another friend.

Working together to grow vegetables.

Talking partners-taking the time to listen to each other.

Passing the pen to our friends to write our names

Playing together and taking turns.

Life is better with friends :)
