

Wednesday 9th May

Worship Group - *Friendship* Assembly

Welcome to our assembly all about 'Friendship'.

What does it mean to be a good friend?

Listen to our story.

This is a story from the Old Testament about some good friends called Naomi and Ruth.

Friends look out for one another.

God likes us to be friends with our neighbours.

What have we learnt from our story?

Friends do all sorts of things with each other even when they don't really want to..

If you are friendly to someone they will be friendly back to you.

Let us pray. Hands together and eyes closed.

Dear God,

Thank you for friends whom we can trust. Thank you for friends who stick with us when we need them. Please keep us from being selfish, and help us to be good friends to others, especially those in need. Amen
