Little Treasures Nursery

Sessions are from 08.50am—3.20pm daily during term time.

Where being small makes a big difference

Learn. Share. Laugh. Grow.

We provide a wide range of new experiences and activities for the children and we encourage independence and self confidence throughout. We have a caring and experienced staff team who are dedicated to our nursery and the well being of our children.

Twice a week we have a 'Forest School' session. We spend all of the session in our local woodland. Forest School sessions are based on a Scandinavian idea. Children follow their usual curriculum, but in a woodland context, using learning and teaching strategies which raise self-esteem, develop confidence, Independence and language and communication skills

Our aim is to enrich and stimulate the children's experiences, to provide opportunities for them to progress through learning situations, and to help them develop skills relevant to their needs in school. We also will encourage them to develop socially and to form good relationships with other children and adults.

Teacher led and highly qualified support staff

* Highest standard of care and Education

* Fresh and healthy food cooked on the premises.

* Inspiring environments that enrich opportunities

- Children may access their government funded 15 hours during any nursery session throughout the week.
- Children can attend extra sessions and these can be paid for as an addition to their 15 hours.
- Children can start the term after their third birthday.
- Please speak to the nursery teacher in the first instance .
