IT'S
okay
TO
not know,
BUT IT'S
not okay
TO
not try.

This term our value has been perseverance. We have talked about how Jesus persevered in challenging times and how important it is that we keep going and don't give up. Reception children have a fantastic attitude to learning and understand that we will be helped to finish if we try (Phillippians 1:6) and you can see this in the photos below.

I did not give up when using tweezers to pick up buttons.

When I found threading tricky, I kept trying until I succeeded.

I knew that if I kept trying I would be able to use the scooters in the end.

I stayed focussed for a sustained period of time to complete my bug hotel.

I persevered trying to catch a ball.

In a team we persevered to make space so that we could all hide in our shelter.

We are not giving up reading our phonics captions.

A Bible verse on Perseverance

"God helped you begin and he will help you until it is finished."
(Phillippians 1:6)
