Dear Parents/Carers,

I hope that you and your families are well. I would like to acknowledge the hard work of all the staff of St Laurence's school for providing a wide range of stimulating work for your children and I hope that they have enjoyed it as well. We do miss them all.

Home schooling is not easy and I would like to commend you for all your efforts. I am extremely grateful for the support of the school community and staff over the last few weeks.

Of course, we would like to see all of the children back in school as soon as possible but as you are all aware it has to be safe for everyone.

We have continued to provide cover for a small number of vulnerable children or children of essential workers over the last two months but we are now planning for the possible return to school of children of certain ages on June 1st.

I shall be contacting the parents of children in Nursery, Years R, 1 and 6 to see if they intend to take up the schooling offer. As parents, I shall support your decision whatever it might be and if you decide not to send your child back to school, I shall understand. However, I do need to know the numbers, so I can plan and make the school environment as safe as possible.

It may be necessary to stagger drop off and pick up times, and even limit the number of children in certain year groups.

If you are a parent of a pupil in Nursery, Years R, 1 and 6, I shall be requesting that you let us know by Monday if you intend to take up the offer of schooling in June.

Best Wishes, Stay Safe

Stephen Matthews
