Have a fabulous summer holiday, have fun and stay safe

I am delighted to say that we have all made it safely to the end of term. Even though the last couple of days have been very hot and it's been an unusual end to the term. The children have been very happy and content as well as the staff, although that may have something to do with the imminent summer holidays.

I have been so pleased with the children's attitude to their learning and their enthusiasm to embrace all aspects of school life over the last few months.

However I must pay tribute to our wonderful class 6 who have inspired everyone with their cheerfulness and positivity: we all wish them the very best of luck; we shall be thinking of them in September at the beginning of term but I am very confident that they all will shine at High School and we shall be proud of them in the future as we are now!!

Building Delays

Unfortunately the extension work will not be completed until well into the autumn term, the builders have however been excellent and any delay is certainly not down to them. Therefore we shall have to continue to put up with inconvenience a bit longer but the end product will be worth waiting for!

Lastly thank you for your tremendous support and kindness throughout the last school year.

Have a restful summer, see you all in September.

School Money

Please could we request that parents bring all School Money accounts up to date as it is the end of the school year. Thank you for your co-operation.

Thank You

Thank you very much for all the cards, gifts and all the happy memories that I will take with me. Wishing you all a lovely holiday and a happy start to the autumn term.
