

# Summer Term - Year 2

Welcome back! We hope you all enjoyed the Easter holidays and didn't eat quite as much chocolate as the children did!

## READING AND SPELLINGS

A continued BIG thank you to everyone who has been signing reading diaries regularly - we really notice a difference. The children are constantly picking up new sounds and forming them into more complex words and regular reading will really help with this. It's wonderful to hear the progress that the children have made and we are hoping to encourage them to read their books for the whole class to build their confidence and use of expression.

We have sent home the spellings for this half term.

## P.E KIT and SWEATSHIRTS

Please make sure P.E kit (named) is in all week for our lessons. Some of our P.E lessons will be outside now (weather permitting!) so please ensure your child has trainers/pumps which fit them and has **their name written inside**. It would also be appreciated if all sweatshirts could be named as this will save many arguments after playtime and P.E! Please could you also make sure that if your child has long hair it is tied back for each lesson.

## SUMMER ESSENTIALS

Fingers crossed the weather is getting better and we will see lots of sunshine! Please make sure that your child brings in a **fresh water bottle everyday** and a **sunhat**. Sun-cream is best put on at home and should last for the day. Children can bring sun-cream into school when it is really hot but they will need to apply it themselves.

## LIVING THINGS AND THEIR HABITATS

These will be our main science topics throughout the next term. The children will have the opportunity to visit the school garden, plant seeds and spend time hunting for bugs! We are going on a spring walk which will give us the chance to look at seasonal changes and hunt for signs of spring. We will be looking at a variety of different animals and will

find out what they like to eat, where they like to live and how we can look after them.  
We are also hoping to plan an exciting trip later in the term.

THE HISTORY OF LUDLOW

This will be our history topic this term. The children will find out more about Ludlow and what Ludlow is famous for!

SCHOOL WEBSITE

We hope some of you have been able to visit our school website over the past term and seen some of the things that have been happening in the classroom. We will continue to share photographs and class documents for your information.

GENTLE REMINDER ....

We would just like to send out a gentle reminder that toys, collectible cards and jewellery shouldn't be brought into school. We only say this to keep the children's things safe as we have had a few breakages recently and this is very upsetting for the children.

THANK YOU!!

Sally Compson-Lea and Steph Reid
