

Ludlow in Bloom

As part of Ludlow in bloom, groups of Year 1 pupils braved the elements on Wednesday to begin planting a flower bed by the town wall on St. John's Road.

The bed had to be weeded and then new plants planted. The children worked really hard and enjoyed digging and exploring as they were gardening; finding all sorts of creatures and treasures!

We're looking forward to finishing it off with the other Year 1 children in the coming weeks.
