28th September 2020

Dear Parents/Carers,

As part of our Geography and Art work about Local Hills this term, we will be taking Class 3 to the summit of Titterstone Clee. Weather permitting, this visit will take place next week, on Tuesday 6th October.

We will travel by school minibus, parking at the quarry car park which is not far from the summit itself. Half of the class will go in the morning and half will go in the afternoon. Mrs Bevan will be with the children when they are in school.

All children will be back at school for lunch time so that your normal lunch arrangements are not affected.

Children will need to wear their school T-shirt and jumper but may wish to wear more comfortable trousers such as jogging trousers. Suitable footwear is essential. We will remain on paths at all times, but these are rocky underfoot in places. Please also ensure that your child has a coat suited to the weather that day.

If it is very wet or windy, we will move the visit to an alternative date.

Please complete the slip below and return as soon as possible.

Kind Regards

Mrs M. Mintoft
