School Entrance

As you maybe aware the entrance to the school is not quite finished. Next Thursday we will have a company here to fit the automatic doors, as a consequence of this parents will be unable to access the school via the school office. If you have need to speak to a member of staff or the school office please ring on 01584 872766 or leave a message with the teaching assistants on the school gate and we will contact you.

Paperwork

Thank you to all those parents that have completed the Parental consent/internet safety forms and where applicable the asthma, swimming & immunisation forms. We realise that parents may feel a bit overwhelmed with paperwork however we would like to thank you for your patience. If you haven't returned all relevant forms please could we ask for them back as soon as is possible. Once again thank you.

CLOSED

The Adventure Playground

The adventure playground is currently out of bounds as some of the equipment is not safe, the gate is tied up because we don't want children to go in and hurt themselves. Please make sure that your child is not climbing over the fence to go in at the end of the day.

Happy Birthday!

Reception Outdoor Area - Important

The area outside the reception class is not to be played with at the end of the day. Some of the equipment was got out on Wednesday evening after the children should have gone home. This was left out overnight which meant that it was all too wet for the children to play with on Thursday. Please stay off the equipment.

A Warm Welcome to our New Reception Children

We have had a fun filled two weeks with all of our new children in reception, they have all settled in brilliantly and we can't wait for them all to start with us full time next week. The children have had fun exploring with all of our equipment and learning about school routines. It has been wonderful to see all of the children bringing their book bags into school every day and telling us how much they have enjoyed sharing these at home. Next week we are going to begin learning all about ourselves and look forward to finding out some more about them.

Earrings

Now swimming sessions have started could we please ask parents to remove earrings on the day of swimming. Our school policy states that they should be removed or covered for P.E. sessions however covering them for swimming is a little bit tricky.

Welcome back to a new school year everyone!

There will be a Friends of St Laurence's meeting on **Tuesday 26th September at 3.40pm after school.**

A creche will be provided.

The meeting will be to discuss roles and events for the forthcoming year, we would welcome any new faces and ideas. It will also be the AGM.
