## Welcome Back:

We are very much looking forward to seeing you all on Monday morning. It does seem a long time now that all of the children were in school...in fact it is almost a year to the day since the school first closed and it has been one of the most challenging unusual years that I have ever experienced as a Head teacher. We are not there yet of course but as each week passes we are getting closer to normality and hopefully look forward to what I am sure will be a very special summer term.

As I said in my assembly today, I can remember quite clearly what it was like when the children returned in September! The sun was shining, of course, but the sense of joy and the sound of laughter from the children was quite magical. We all appreciate the importance of education and schooling for young children but, if we have learnt anything over the last twelve months, it is never to take it for granted again. The memory of those September days: the happiness of our children being able to spend time with their friends and teachers and the love of learning that was clear to see, has left an indelible memory on me and my colleagues and although it may not be as sunny on Monday we all will be back and though it won't be quite the same as usual the end to all of this disruption is in sight.

It'll be good to see you all again.
