

In Class 2 we have been focusing on our value, responsibility.

We have been trying to make good choices, thinking for ourselves about the responsible thing to do.

In school...

Every morning we all put our own book bags in the tray or in the changing box ready for changing during the school day.

Responsibly we can select our next choice of book.

Sid and Lexie check the doors of the lockers are safe every day.

We make sure our trays are safely closed.

At home...

We love having responsibility.

Rosie said, "It feels good! We feel special when we are given extra things to do."

Class 2 children commented; "If we offer it is great to volunteer."

Julia responsibly does her own hair every morning before school.

We are really trying to think responsibly about, having indoor voices inside so we are respectful towards other people's learning.
