School Photographer - Class / Team photos - Friday 6th May

School Extension:

I'm pleased to inform you that the extension work is due to begin on the 16th May. There will naturally be some disruption but we shall endeavour to keep this to a minimum. We are very fortunate to be having this work done and I'm sure that when it is completed the new junior classrooms will look great.

We are not of course increasing the number of pupils on role: St Laurence's school will remain one form entry but the purpose of the extension is to increase the size of some of our junior classrooms and add additional learning space. Indeed some of the existing classrooms are only 40m²; the recommended size is 55m² to 60m² so as you can see it will make a big difference.

Platinum Jubilee:

We will be celebrating Queen Elizabeth's Platinum Jubilee this summer; the children have already designed beautiful displays in the hall highlighting landmark events from each decade of the Queens reign. Pictures of which will be displayed on the school website. We are also planning a special celebration on the 27th May to mark this event, we will be having our own 'street party' outside on the playground where the children will enjoy 'afternoon tea' a circus performer who will be teaching the children circus skills, as well as music, games and an ice cream van.

Mr Matthews

School Lunches

The number of parents not logging in the School Money system and choosing a meal for their child has unfortunately increased. It is your responsibility to choose a meal for your child; children who are not booked in for a school meal will be given a baked potato.

Reminder:

- Meals must be chosen at least 24 hours in advance.
- Meals must be paid for at the time of booking

Delay to Gardening Club

Due to staff training gardening club will now start on Wednesday 11th May. The cancelled session will be re-arranged later in the term. Apologies for any inconvenience.

Reading with your Child

A FREE Family Learning course for Reception and Year 1 parents and carers at St Laurence's Primary School

This six-week course will help you understand:

- The value of using a wide range of reading materials with your child.
- The strategies used in school to teach reading.
- How to be more confident in supporting your child's reading.
- How to make reading fun using games, activities and props.

Each week your child will join you for the second part of the session to work on a range of fun activities together.

Starting on Wednesday 18th May
1.15 - 3.15pm at St Laurence's Primary School

Interested?

Please fill in the slip below and return to school as soon as possible.

I would like to join the 'Reading with your Child' course starting on Wednesday 18th May at 1.15pm.
