Friday 4th March 2022

Changes to self-isolation and daily testing of close contacts

From Thursday 24 February, the Government have removed the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days as with any other notifiable illness.

Football

The football team will be visiting Accrington Stanley on Wednesday to take part in the Utilita Kids Cup Regional Finals, where they will be competing against some tough opposition. I am sure you will join me in wishing them the very best of luck.

World Book Day

This year, we celebrated World Book Day by taking part in lots of exciting activities in different classes. Pupils enjoyed: making dens; singing songs; writing nonsense verses; painting and much more! It was lovely for staff and pupils alike to share their passion and love for reading.

Mr Matthews

The football team were incredibly proud and very happy to receive their new kit just before half term and they have even made all of the local papers. I'm sure you'll all agree they look very smart. Thank you to manager Mark Tonkinson and Ludlow Colts FC for their kind sponsorship.

Cookery & Gardening Club

There are limited spaces left for Cooker and gardening Club, if your child would like to join please email the school office; admin@st-laurenceprimary.com These clubs start on Monday 7th.

Advance warning.....

Red Nose Day – Friday 18th March **Wear Red – 50p donation** payable through School Money. We will also have red noses on sale from the school office, we will advise you when they have arrived.

Red noses will be on sale from Monday 7th March - £1.50 each. We have a limited amount so it will be first come first served.

Attention Parents & Carers

The 5-year-old Dental Health Survey

is coming to your child's school
soon

WHAT IS IT?

The community dental team is carrying out dental checks of 5-year-old children in reception and year one.

This will take place at your child's school.

WHY DO WE DO IT?

The information we collect about the dental health of local children is used to plan local dental services and improve the dental health of children in Shropshire and Telford and Wrekin.

HOW CAN YOU SUPPORT IT?

If your child is picked and you agree that they can take part, then please return the completed consent form to school by the deadline. The form will be sent out closer to the survey date.

By allowing your child to take part you are helping us to improve children's dental health.

THANK YOU FOR YOUR SUPPORT

Please watch the video, via the QR code or link ([School dental surveys – YouTube](#))

The video will take you through how we do the dental check.
