Covid

There have been no new Covid cases since half term, consequently some of the precautions that we have introduced over the last few weeks having been stepped down. Children will have the same playtimes as each other and next week assemblies will be re-introduced. If circumstances change we will act accordingly.

Remembrance Day

The whole school observed a minutes silence at 11am in remembrance of the fallen. Throughout the day the children have been learning more about remembrance.

Thank you to everyone who donated to the poppy appeal. We will let you know how much was raised once we get the amount confirmed.

School Photographers

We have had our new school photographers in this week. They spent the day with us and were very professional, putting the children (and staff) at ease. We are expecting them to be a very high standard. The proofs should be with us towards the end of next week. We are hoping to have them back around May to take class and sports photographs.

Winter Market

Preparations are under way for Winter Market which will be taking place on Friday 26th November. More details will follow shortly.

Our Value this half term if Responsibility

It only takes a tiny spark to start a forest fire. Your tongue is like that spark. You can use it to give thanks to god or to spread lies and gossip about another person.

We will be holding a dress down day on Thursday 25th November. Children may come to school in their own clothes and all we ask for is a donation towards the hamper allocated to your child's class.

Please send donations with your child on Thursday 25th November.
