Building works

Finally; at last, the building work shall be complete. !!!

After half term they will have packed up and gone. We are delighted with the end result and the children and staff can now enjoy working in classrooms that are spacious and well equipped.

I initially started working on this project five years ago and it has been very trying at times but we have finally made it. The children are very excited (especially poor class five who have moved several times to accommodate the project) and deserve to be taught in such a luxurious environment.

Year 5

This week, Year 5 visited St Mary's Church, Bromfield to take part in a 'Bats in Churches' workshop. We found out about some of the different species that live in this country and abroad and learnt some fascinating facts. For example, a bat's wings are actually its hands! The children enjoyed a variety of activities in the sunny churchyard and also became bat detectives, hunting for evidence of roosting bats in the church building.

Tag Rugby County Champions

Our tag rugby team played together for the final time yesterday at the county finals at Shrewsbury Sports Village. Having won their three previous tournaments and being unbeaten in their 22 games this season, they once again showed the grit and determination that we have become accustomed to. We competed against representatives from all across Shropshire and did South Shropshire proud. Having won our group, we faced a well organised Market Drayton in the final, eventually overpowering them 5-4. Our defence, passion and resilience enabled us to lift the trophy.

The team had a wonderful day in the sunshine and have deserved their success this season. Well done children.

Clubs will start Monday 24th April up to and including Friday 14th July
