

<p>English Spring 1 Our focus text this half term will be “The selfish giant” and we will be retelling this classic tale in our own words.</p> <p>Spring 2 Using the books: “Jemmy Button” and “Island”, two very different texts that look at different aspects of island life, we will be composing a journalistic text.</p>		<p>Science Spring 1 We will be studying light this half term and answering questions like: What is light? What effect does light have? How can shadows be manipulated? etc.</p> <p>Spring 2 This half term, we will be studying electricity. We will be using circuit symbols to plan and create circuits for a range of uses.</p>		<p>Maths Spring 1 Our focus for this half term will be adding, subtracting, multiplying and dividing fractions and finding fractions of amounts.</p> <p>Spring 2 This half term will be a chance to recap everything we have covered so far this year and a chance to study space, place and shape.</p>	
<p>Computing Spring 1 We will be studying spreadsheets and how to use formulas.</p> <p>We will then apply our knowledge of spreadsheets to plan and budget an event.</p>	<p>Music Spring 1 Mr Bennett will be taking the class for Music.</p> <p>Spring 2 Our focus this half term will be on analysing pieces of music.</p>	<p>Class 6 Spring Term Overview</p>		<p>Art & DT Spring 1 This half term, we will be designing and making our own cars.</p> <p>Spring 2 We will be focussing on the life and work of the artist William Morris.</p>	<p>RE Spring 1 We will be studying why Hindus value good choices in life.</p> <p>Spring 2 We will look at how Christians believe that Jesus “saved” people?</p>
<p>Geography Spring 2 We will be focussing on the geography of London and comparing it to our closest, Shropshire equivalent, Shrewsbury.</p> <p>We will also be looking at both the human and physical features of London and investigate why the Thames was and is such an important part to the success of London.</p>		<p>PE Spring 1 Mr O’Reilly will be teaching PE this half term on a Friday.</p> <p>Spring 2 Mr McKeon will be teaching PE this half term on a Tuesday. The focus of these lessons will be cricket.</p> <p><i>Please ensure that kit comes in on a Monday and goes home on a Friday each week.</i></p>		<p>History Spring 1 To link in with our geographical study of London, we will be focussing on the Victorian era, specifically the inventions that lead to so much change.</p> <p>We will investigate how, due to industrialisation, population density changed and why people were so attracted to living in cities.</p>
