Reception Mother's Day **Assembly**

We had a wonderful start to the week with our Mother's Day Assembly. The Reception children put together a heartwarming performance with singing, dancing and even a little acting. The children performed exceptionally well and so finishing with a cup of tea and cake seemed like a very well-deserved treat indeed.

WELL DONE!

Class 1 Assembly

Year 1 did their class assembly this week based around the battle of hastings. The children did an amazing job re-enacting the battle. They performed a lovely medieval style dance and did some beautiful singing. They should all be very proud of themselves.

Year 1 Castle Visit

Year 1 had a lovely time today on their trip to the castle. We got to explore all the different parts of the castle from the stables, the chapel, where they kept the prisoners and the drawbridge. Many children were very brave and climbed all the way to the top of the tower where we had some magnificent views of Ludlow. We finished the exploring by trying not to wake the dragon

Courtesy Cup

This week Caiden Clennon was nominated for his kindness that he shows other children. Well done Caiden.

Shropshire Music Service is a non-profit organisation employing more than 40 highly skilled, professional music teachers. We visit schools around the county to deliver instrumental lessons, curriculum support, workshops, performances and more.

We deliver consistently excellent teaching, whilst ensuring that financial circumstances are not a barrier to music education. We also ensure that young people have access to performance opportunities and group music making, either in their school or the local community.

Our teachers work within experienced teams, where learning resources are developed to refect the changing needs of students. Safeguarding of children is a priority and all our teachers beneft from regular training in several key areas. Teachers are subject to enhanced DBS checks, suitability to work checks, routine monitoring, and performance management.

Students may be taught individually or in small groups, and lessons usually take place in school during the normal day. Timetables are monitored to reduce the impact this may have on core subjects. We teach most instruments and have a range of equipment for hire. We are also happy to advise parents when buying an instrument, and we work with a number of specialist, local retailers.

Scan the QR code on this flyer to find out more and enrol for lessons.
