

## English

In Summer 1 our writing will be based on **'Toys in Space'** by Mini Grey. They will do a range of writing including fact files, descriptions and their own story.

In Summer 2 we will be looking at **'Goldilocks and Just the One Bear'** by Leigh Hodgkinson.

## Maths

Over the summer term we will cover:

- Numbers 0-20
- Unitising and coin recognition.
- Position and direction.
- Time.

## Science

**Plants**—Growing our own sunflowers. Naming the parts of a flower. Looking at different types of trees and leaves. Being able to identify trees. Going on a nature walk.

**Animals**—identifying mammals and their characteristics. Comparing birds, fish, amphibians and reptiles. Looking at carnivores and omnivores.

## Art

### Sculpture

Looking at 2D and 3D models. Making our own sculptures of animals and people and painting them .

### DT—Sock puppets

Children will design, make and evaluate their own sock puppets.

## Geography

### Our Country

We will be looking at features of towns and countryside's. and comparing them. Identifying the four countries of the UK and their human and physical features. Then comparing our country to a non-European country.

## PSHE/RSE

### **Health and wellbeing**

looking at physical and mental wellbeing, growing and changing and keeping safe.

### **Philosophy for Children**

based around 'where the wild things are' .

## PE

**Invasion games**—working as a team, learning to attack and defend in games.

**Athletics**—Preparing for sports day.

## RE

What is the 'good news' Christians believe Jesus brings?

Looking at forgiveness, peace and friendships.

## Computing

The children will be coding their own computer programme to make an object move.

## Music

Ian Bennet will continue to teach music during the first half term.
