Sports Success

On Thursday, a group of 26 children from Year 5 and 6 were very excited to go to Shrewsbury to compete in the area school games as we had been successful in previous rounds and qualified to represent South Shropshire in both cricket and athletics.

We were part of a group of over 400 children that travelled to try and win in their chosen events. The cricketers played in a cricket dome and did amazingly well scoring highly and although didn't win did everyone proud, showed brilliant sportsmanship and respect to everyone and came very close to being victorious. Everyone played their part, scoring fantastically, bowling and fielding superbly and Mrs Caine reported how fabulously we had been to be one of only six schools trying to win for the whole of the Midlands area.

At the same time, two athletics teams, a boys and a girls team displayed with some outstanding performances both as individuals and in the team events and did St Laurence's school proud. We ran 1,2,4 and 6 lap relays and really showed perseverance to keep going we also did five field events to try and win the title. Some brilliant efforts from everyone involved, and although we didn't come away as winners in the athletics, we all felt really proud of all our achievements and the effort we put in.

After lunch, we were able to participate in some other activities including boxing and Kwik cricket and even had a go at squash in the sports hall.

Special thanks to the parents that helped transport us to and from the event and for Freddie for stepping in at the last moment when we were a person short in the athletics team.

****Exciting New Interactive Board in Our Hall, Thanks to the PTA!****

We are thrilled to announce the installation of a brilliant new interactive board in our school hall, generously funded by the PTA! This state-of-the-art technology promises to revolutionize our learning and event experiences, offering something for everyone to enjoy.

Teachers and students alike can benefit from its versatile applications, whether it's for displaying vibrant educational videos, showcasing student projects, or conducting engaging interactive lessons. During school assemblies, it will serve as a powerful tool for presentations, making announcements more vivid and engaging.

It has already been put to good use, The Swifties in Year 4 persuaded Mr Matthews to play some music at lunchtime today!

Thank you to the PTA funds for making this possible.
